## Silver medal for Foodsped GmbH

We are among the top 15% of companies rated by EcoVadis in the last 12 months.

To celebrate the completion of our assessment, EcoVadis will be planting a tree on behalf of Foodsped GmbH and as part of our partnership with One Tree Planted.

### **Who is EcoVadis?**

Since its founding in 2007, EcoVadis has become the world's largest and most trusted provider of corporate sustainability ratings, creating a global network of more than 130,000 rated companies.

### **Object**

Leading all companies towards a more sustainable world

### **Mission**

Their goal is to provide trusted, globally recognized sustainability assessments and insights that enable all companies to reduce risk, drive improvement and accelerate positive impact on our planet and society.
